

## CHRISTIAN CHAMBER OF COMMERCE & INDUSTRY

*Electropneumatics  
Excellence Award 2017  
In The Field of Industry given to  
Mr. Robert Henry Mendonsa*

### *Citation*

You had your initial education in Calcutta where you were born. You graduated from St. Xavier's College. Your association with Lawrence & Mayo took you to different parts of the world and you have travelled extensively in India also. You managed to establish 115 branches in 43 cities with a team of nearly 1200 members.

You had your training in England, America, and later in Japan and China with various manufacturers that were represented by Lawrence & Mayo for Engineering, Scientific and vacuum instruments. You combined your wide experience in the manufacture of precision and scientific instruments with a flair for salesmanship. In U.K. you trained and worked with Edward's High Vacuum Ltd, for upgrading your skills further.

You were instrumental in donating more than 25,000 spectacle frames and sunglasses to Sight Saver International an International NGO in India doing path breaking work since 1960. Through your free Vision Screening programmes across schools, colleges, senior citizen homes, traffic police authorities, spastic society, you have managed to help lakhs of Indians to correct their sight.

Through the Mendonsa Foundation and Lawrence & Mayo's Vocational Guidance and Training program you have helped young Engineers gain exposure to a world class range of Engineering, Scientific, vacuum and vocational Training Equipment's.

Your dream is to start a College of Optometry in the state of Goa.

*In recognition of your outstanding contribution in the Field of Industry*
